

The Williams Family in Arviat

Week of May 20th , 2018

Jackie & Brad

Brooklyn, Logan, Arnaujuq, Jordan

Praise and Prayer Requests:

Please pray for our time away from Arviat. We will be traveling South to attend General Assembly and to visit churches. Pray for the church to work well together while we are away. Pray for safety and good weather as we travel. We had a blizzard earlier this week already.

Please pray for those who attended the conference led by Howard and Karen Jolly. Pray that the healing message given would sink deep into people's hearts and they would turn to Jesus for the healing they need.

Thanks and see you soon.
