Praise and Prayer Requests:

Please pray as the Lord leads for the following people:

Please pray for Amy. She was spending a fun weekend with her boyfriend in Winnipeg. She came back to her hotel room to find the bathroom locked. He had committed suicide. She is back home in Arviat now. Pray for her to have strength and for her family as they help her grieve.

Pray for Michelle who is leaving Arviat to go to court. She is going to testify against her father. Pray for her to have strength, wisdom and to stand for truth. Pray that she would feel Jesus' presence as she helps with this court case.

Continue to pray for our church as we are away. Pray that they would be united together in Jesus' love.

Thank you for your prayers and support.
