### Praise and Prayer Requests:

Please pray for Leo as people are coming to his house and they are able to discuss Bible topics together. Today he was talking with men about creation. Pray that Leo would be able to share Bible truth with those coming to his place. May the men who visit him come to know Jesus as their savior.

Please continue to pray for Howard and Karen Jolly who are preparing to come to Arviat to teach on healing from abuse. Pray for those who will come and hear them. May there be much healing for people who have been abused in our community. Meetings will be from May 2 to May 7

We will be traveling down South in May and June. Please pray for our travels and for the churches we will be speaking at. May there be continued connections between Arviat Alliance Church and the churches down South. Thanks so much for partnering with us up here. May God bless you, Westgate Alliance Church family!
