Our church planting partners,
Antonio & Dina, and us ready to go
to the ACTS 29 Spanish
Conference in Orlando, Florida

Friday Prayer Pic

Thank you so much for your prayers for the conference. We had a great time learning from so many people, making strategic connections, and

getting to know each other on the church planting team better (Antonio & Dina, Vanessa & I: see pic above). It was an enjoyable time getting to ask questions of people who have already planted churches and gaining an amazing amount of insight from them. Although deciphering different Spanish accents from the speakers and attendees was a challenge (Venezuelan, Guatemalan, Puerto Rican, Argentinian, etc.), God was gracious in giving us understanding so that we could take in all of the great information we received. We were also impressed with Orlando in that almost everyone we interacted with spoke Spanish; from our Uber drivers, to the outlet mall clerks, to the waiters/waitress in restaurants. Although we could have spoken English it was easier to remain in Spanish, especially with our friends being with us.

Please Pray

Thank you so much for your prayers! God is continuing to provide in His call for us in Mexico City. In May we will have our ACTS 29 church planter assessment interview and in June the Board of Directors for the C&MA in Canada is meeting to approve our church planting plans in Mexico City. In the mean time, Antonio & Dina and us are continuing to grow as friends while we plan and strategize for our future church plant. Please pray that God would continue to go before us preparing the way for the good works that He planned for us to walk in. Pray that as our two families grow together, that God would knit our hearts together for the task and mission of His Kingdom expanding in Mexico City and to the world. Pray that God would continue to shape us and mold us for His work in Mexico City.
