Friday Prayer Pic

We are so excited to announce that we received our official approval from the Board of Directors of The Christian & Missionary Alliance in Canada to continue in Mexico City as church planting International Workers! God has continued to affirm our calling to plant reproducing churches through discipleship in Mexico City through our leadership and we have an eager anticipation about what God is going to do in the future to continue to build His Kingdom in Mexico City.

Also, we are excited to announce that we (Antonio & Dina and us) are official candidates with ACTS 29. We have been assigned a church planting coach from Mexico to walk with us in the launching of the church plant in October with certain conditions to fulfill. Once the church plant is established and all the conditions are accomplished then we will apply for full membership in the church planting network of church planters called ACTS 29.

Please Pray

Please spend some significant time praising God with us for His faithfulness, generosity and care. All of these testimonies of God's provision through our approvals and people's giving are "stones of remembrance" for us as we push into the hard work of church planting here in Mexico City. These moments are incredible reminders of our loving God and His call on our life when circumstances and situations and decisions are difficult. We can count it all joy when we encounter trials and testings of many kinds because we have seen God answer prayers; we have seen God show up in a big way; we have seen God pour out His love and generosity and care on us.

Blessed be the LORD, the God of Israel,
who alone does wondrous things.
Blessed be his glorious name forever;
may the whole earth be filled with his glory!
Amen and Amen! - Psalm 72:18-19
