Friday Prayer Pic

This past Sunday we dedicated Maximus, which is really the parents and the church family committing together to raise Maximus and provide him a community for him to hear and see the gospel so that one day he would come to faith in Christ. I, Bear, also had the privilege of sharing with Westgate Alliance about the basic building blocks of church planting: starting with the need for the planter to be a disciple of Jesus and then making disciples that make disciple-makers who gather as the church.

We also had the opportunity to meet a local church planting team in Saskatoon, Rob Clark and Carl Sheldon, who are producing a support film for us! This is a tremendous blessing to us and we are so thankful for their generosity and time. I can't wait to share their work with you so you can share it with others.

Please Pray

Please pray for our connect with Rosetown Alliance Church this weekend. Pray that we would be able to clearly communicate the vision of our church plant and that God would increase a passion to pray, give and go in the hearts of the people. Pray that God would provide for our various funds that we have to raise in a very short amount of time. Also, this next week, we will be at the C&MA Home Ministry Seminar. Please pray that this would be an encouraging and life-giving week as we meet with our leadership, health workers, and other international workers in the C&MA.

Dedicating ourselves in front of our sending church family, Westgate Alliance Church, to raise Maximus with every possible opportunity to hear and see the Gospel of Jesus. And Westgate dedicating to pray for and encourage Maximus in the Lord.
