Betty and Victor Chin
Prayer Request
Week of June 3rd , 2018

Betty and Victor Chin,

1. Please pray the Holy Spirit will stir the hearts of those who read and reflect on the message from the gospel booklet and workshop.
2. Pray they will humble themselves and truly desire to seek Him. Please pray for the C&MA Mexico president pastor Tomas Bencomo that God will grant him the wisdom and strength to lead the national churches together with the IWs from Canada and United States to bring the gospel to the least reached in Mexico and beyond.
3. Please pray for the team as they will visit some families in Santa Fe and surrounding areas in Mexico City this week. Pray for their marriage workshop this Thursday in Santa Fe, their health and protection as they prayer walk in various areas. Please pray also for God's leading in planning a Women Bible study in June in Santa Fe.

Love in Christ- Victor and Betty Chin
