Prayer Request
Week of April 22nd, 2018

Dear friends,

This week, we praise the Lord for opening another door in Santaf Fe besides Spanish class to have our first community group this Thursday. It was an opportunity for us to gain a better insight in their lives and their spiritual need.

Please continue to pray for God's provision in renting the venue for these meetings. It average about \$200 CAD a month. Also pray for the work of the spirit move in the hearts of those we share the Good News with that they will be receptive.

Blessings and thank you so much for your prayer.
