Betty and Victor Chin Prayer Request Week of Aug 12th, 2018

Betty and Victor Chin,

Welcome! You are reading our FIRST Mexico City Chinese Alliance Church bi-weekly update.

Thank you! You are willing to pray with us for Mandarin speaking Chinese professionals in Santa Fe. Many of them DO NOT know our Lord Jesus Christ!

Our prayer items:

1. We will have our monthly Community group in Santa Fe this Thursday. The program includes: (1) We will share earthquake precaution and response; (2) 5-10 minutes message about peace; (3) Rebecca Florin, the C&MA missionary and Director of Brave Heart Collective will share compassion ministry within indigenous people in Mexico. Please pray for preparation, those will attend the activity and the sharing.
2. Anne Louie our teammate will check out an apartment in Santa Fe on Thursday at 2:30pm. Please pray for God opens right door for her and the lease will be finalized according to His will.
3. God prepares some Mandarin short-term mission teams to work with us to reach out more Mandarin speaking Chinese Professionals.
4. In our own Spiritual journey of moving in the community of Santa Fe in these coming months, we reflect on God's promise from the book of Deuteronomy as a team. Pray for God's guidance and discernment as we prepare our hearts to move in the community. May we glorify and obey Him each step of the way.

Love in Christ- Victor and Betty Chin
